

Professional Experience

2022-23

Structural Steel Detailer & Drafter

ELLUC Projects

Multinational company with offices in the UK, Australia, and South East Asia
Construction Consultation, BIM Coordination, Precast and Structural Steel Detailing

- Lead Structural Steel Drafter for Aus team
- Designing, modelling, and drafting of a wide variety of infrastructure
 - School Infrastructure – Barwon SS, Geelong | East Gungahlin HS, Canberra
 - Shopping Centres – Dickson Village, Canberra
 - Train Stations – Exhibition Station, CrossRiver Rail, Brisbane
- Projects involve detailing structural steel with Tekla Structures, and the creation and annotation of hundreds, often thousands of assembly and part drawings, all to AU/NZ Standards
- Had to communicate and collaborate with team members overseas, involving daily online team meetings, workload allocation, and file management
- Experience consulting with clients throughout the lifespan of projects, and project management from conception to final delivery
